

Bionest, a fast-growing strategy consulting firm specialized in life sciences, is looking to hire Associate Consultants located either in our New York or Paris Office.

Your role

Associate Consultants are involved in the execution of strategic and operational consultancy assignments. Fully integrated into the project teams, they perform secondary research, synthesize and clearly organize information gathered, conduct ad-hoc analyses and contribute to the elaboration of final recommendations. Project environment typically requires candidates to be proactive and effective team players, with strong logical/critical/analytical thinking, robust problem solving and presentation skills (oral and written).

Duration Permanent full-time contract
Location Bionest – New York Office OR Paris Office

Requirements

Applicants must meet the following requirements:

- Mandatory Life Sciences background AND Business academic knowledge, advanced degree in Life Sciences is a plus
- Fluent in English
- Strong Excel & PowerPoint skills
- Rigor, ability to summarize and remain focused
- Excellent attention to details
- Strong motivation and entrepreneurial mindset
- A positive attitude and the drive and desire to progress in the organization
- Ability to work in the US (for NY-based applications) or the EU (for Paris-based applications)

The company

Bionest is a boutique strategy consulting firm focused exclusively in life sciences with 2 main offices (Paris, New York). Our clients include large and specialty biotech/pharma, medical devices, diagnostics, and service-based companies. Founded in 2003, with offices in Paris and in New York, our international team now includes 30 professionals.

Bionest's expertise includes:

- Go-to-market strategy, including international market entry
- Diagnostics and personalized medicine development strategy
- Market access and pricing strategies
- Corporate development strategy, including franchise and portfolio strategy

Bionest provides a dynamic and challenging environment for consultants to progress rapidly as the company grows. The breadth of our healthcare clientele and the projects that we offer ensure exposure to both interesting projects and extensive contact with international clients. Assignments are conducted in North America, the major European markets, and Asia. Visit www.bionest.com

Bionest Partners is an equal opportunity employer.
